Rick,

Attached is a one-page summary of the status as of January 2018. I'll look for other briefing papers which may have been used for the amended Order when I return from the NASJRB meeting at 3 PM.

Roger,

See request, below. Do you have an archive briefing paper on the amended SDWA order with Chemours/DuPont that we can dust off, update and send forward?

Hi- we had an inquiry from Chad N on Friday re: our work with DuPont Washington Works on SDWA orders for PFOA given the release of film - Dark Waters. Cecil thought ECAD had a briefing paper on the revised SDWA order for DuPont ?? Andy Duchovny was the ORC attorney but has since retired. Does ECAD have a briefing paper from our revised SDWA Order to DuPont Washington Works? Cecil thought we should update the paper and provide to Front Office.
